Summary: Arbiter and Yapyap are sent back to 2007, and meet a girl named Laura. Rated T for some language!

Arbiter & Yapyap In 2007!

Yapyap & Arbiterâ€¦. Are in 2007?!?!

Disclaimer: Yeah, I don't own anything so enjoy the story!

Arbiter was at a time machine, looking for ways to work it. "WHY WON'T YOU WORK?! CURSE THIS CONSOLE!" Arbiter said before getting out a needler ready to shoot it. "Can I try Arbi-"He was cut off by a white blaze and their vision went black.

**2007- ** Arbiter woke up to see that Yapyap and he were injured. "YAPYAP! DANM YOU!" He roared in pain. He only heard sucking though. He turned to see Yapyap sipping some water in a cup next to a human girl. "Oh good you're awake Arbiter!" She said with a smile on her face. "Yapyapâ€¦ What did you tell her?!" He roared. "Everything from a to z about the covenant!" He said confidently. "Why you little!" He said. "Here have some water. By the way my name is Laura." She said softly. "Fine." He said as he snatched the cup. He thought, _What will these humans do to me? Why am I sitting here doing nothing? I'll kill Yapyap if I get the chance! _ All these thoughts running through his mind. But he was right. What will they do to him?

End
file.
